

EMERF

Acas East Midlands Employment Relations Forum

Promoting positive employment relationships to maximise organisations' performance across the region.

Don't just take our word for it:

“▶ First forum I've attended- very useful, good discussions and helpful presentations.

▶ Very topical and useful to me at present. Excellent and engaging speaker.

▶ Interesting to hear other employers' examples of difficult cases and how they resolved situations.

▶ Good to hear other opinions and experiences.

▶ Excellent. ”

Do you want to keep up-to-date with best practice in employment relations?

The EMERF gives you the opportunity to meet with other employers and professionals in the region to hear expert opinion, informed regional and national debate on the latest employment issues and share best practice in employment relations.

The Forum is led by Acas and supported by industry and the TUC. It meets three times a year.

Recent topics discussed, included:

- Positive and practical approaches to managing serious ill health issues
- Employee engagement.

Members have recently contributed directly to Government consultation on legislative change in the employment field. Members also benefit from regular updates on employment law from a local employment law solicitor.

Annual membership is £75.
